All are lavishly illustrated and include: a wide variety of interesting activities to help comprehension and improve all the language skills; CLIL-style dossiers that focus on factual background material; multivoiced, dramatized recordings in British or American English.

## **READING & TRAINING**

The Reading & Training series follows on from Green Apple and is intended for young teenagers up to adults. There are 6 steps, ranging from A2 to early C1. Most of the readers are adaptations of classic stories, but there are also specially written original stories. All the readers are beautifully illustrated and they are structured like Green Apple readers, though at a more demanding level.
