PETER PAN

Worksheet – Part One and Part Two

PART ONE

Read the extract and then do the activities below.

Wendy meets Peter Pan in the nursery and they start to talk.

'How old are you Peter?' asks Wendy.

Peter thinks for a moment and says, 'I don't know. But I'm young, and I don't want to grow up. I don't want to become an adult. I want to be a boy forever and have lots of fun!'

Wendy listens to Peter and is surprised. Then Peter looks for his fairy. Suddenly he hears a noise and looks in a drawer. Little Tinker Bell flies out. Wendy is happy to see a fairy, but Tinker Bell is afraid. She hides behind the big clock.

'Where do you live, Peter?' asks Wendy.

'I sometimes live in Kensington Gardens,' says Peter, 'but most of the time I live in Neverland with the Lost Boys.' Wendy does not understand. 'Neverland? The Lost Boys? Who are they?'

'The Lost boys haven't got a mother or father,' says Peter. 'They're alone in the world and they live in Neverland. I'm their Captain.'

'Neverland sounds like a wonderful place!' says Wendy.

'It is,' says Peter, 'and we have lots of fun there. In Neverland we fight the pirates. We swim in the lagoon with beautiful mermaids.'
