LISTENING ACTIVITY

Later in the day Sgt. Lopez looked at the list of the people who work at the hotel and noticed two names: Joe Cobb and Debbie Cobb. They were brother and sister and both of them worked there.

Joe was a short man in his late twenties and he was a waiter.

Debbie was a cute girl of about twenty-three and she was a maid who cleaned the rooms.

“Mr Cunningham,” said Sgt. Lopez, “I need to talk to you.”

“Certainly!” replied Mr Cunningham, cheerfully. “Please come into my office and have a seat. Would you like something to drink?”

“No, thanks,” said Sgt. Lopez, looking at the expensive furniture and beautiful paintings in his office.

“Did you know that Joe and Debbie Cobb stole some expensive things from a shopping center a few years ago?”

“Joe and Debbie?” asked Mr Cunningham, calmly. “Well, yes, I know, but that happened a long time ago.”
