

READERS' CORNER

KEY

- 1.
1. Sustainability means looking after our planet—the oceans, rivers, forests, land and air.
2. A greedy businessman in New Orleans wants to destroy a wildlife reserve and build a huge shopping center.
3. Two teenagers who work at the wildlife reserve help the New Orleans Police.
4. Toxic waste must be eliminated in the proper way and in the proper place.
5. Three teenage friends discover an abandoned mansion, a ghostly face at the window and toxic smoke.
6. Reduce, Reuse, Recycle.
