

How can I unlock a book?

You can sync your titles with the version of the app for tablets and smartphones at any time. Sign in to the app with the same account you use on blackcat-cideb.com, select "Library" from the menu on the right, then click on "Cloud" and download your book.

How can I join a virtual classroom?

The virtual classroom enables your teacher to follow your progress and that of your classmates in real time.

- Click on the menu and select "My classes".
- Enter the code you received from the teacher in the space provided.

What are my statistics?

With stats you can follow your progress in real time. Click on the menu and select "My statistics".

GENERAL STATISTICS

Beneath the book covers you will find the general stats for each title, based on the average result of all the exercises you carried out.

GENERAL STATISTICS BY LEVEL AND COMPETENCE

Below you will find the stats based on the average of all the books in the same language and of the same level.

A BOOK'S STATISTICS

Click on a book cover to view the stats of that title in detail.
