# THE ENDLESS WORLD OF IMAGINARY TRAVELS

## : LET'S LEARN : FROM ADVENTURES

Embarking on a literary adventure can be an incredible dive into the unknown. Great literature has nurtured our imagination for centuries, thanks to the adventures that are part of our shared lives. Adventure often means travel, and to travel is to sharpen our ability to imagine, to follow stories and characters as if the journey were our own. Each character we love and their adventures leave us with clues as to who we are, what aspect of them fascinated us and will lead us to explore new adventures. A journey that never ends.

## : THE MAGIC : OF ENVIRONMENT

The best companion to adventure is the environment and the world around us. Just by browsing through the book we're reading, we get a better understanding of our environment and how big a role we have in ensuring its preservation. So choose your favourite adventure, immerse yourself in that environment and take care of the world around you. Even an adventure story can create a caring citizen!
